

This list contains items scheduled as well as ideas in the planning stage.

If the ED/CS column is blank, the item is scheduled and on the BAOC website.

If there is a ? in the ED/CS column, we need your help.

Events are placed in the rough area we are thinking about targeting them.

Once there is a ED and CS and the date is confirmed with the venue, the event will be scheduled.

We are always open to your ideas for events. Please share anything you would like to see or help with!
